

26TH EUROPEAN MEETING

ON ENVIRONMENTAL CHEMISTRY (EMEC26)/ INTERNATIONAL SCIENCE CONFERENCE

24–27 November 2026, Klaipeda University

Academician, Prof. Dr. habil. Bogusław Buszewski
International Institute of Analytical Chemistry,
Polish Academy of Sciences, Poland;
Klaipeda University, Lithuania

Environmental chemistry

Innovation

Prof. Dr. Gerhard Lammel
Max Planck Institute for
Chemistry, Germany; RECETOX,
Masaryk University, Czech Republic

Emissions

Modelling

Prof. Dr. habil. Małgorzata
Iwona Szynkowska-Jóźwik
Łódź University of Technology, Poland

Industrial chemistry

Heavy metals

Academician, Prof. Dr. habil.
Audrius S. Maruška
Vytautas Magnus University, Lithuania

Bioremediation

Miniaturization

Prof. Dr. habil. Justyna Płotka-Wasyłka
Gdańsk University of
Technology, Poland

Monitoring

Green chemistry

Prof. Dr. Danilo Corradini
Institute for Biological Systems,
Italian National Research
Council (CNR), Italy

Separations

Electrophoresis

Prof. Dr. Ian Scowen
Keele University, United Kingdom

Strategy

Spectroscopy

Dr. Willem de Lange
LaMilCo, The Netherlands

Energy

EU regulations

Prof. Dr. Polonca Trebše
University of Ljubljana, Slovenia

Photodegradation

Pollutants
